

Request information from the collection of purchase prices

Would you like to receive information from the purchase price collection?

Competent Department

- [Gutachterausschuss für Grundstückswerte in Bremen](#)
- [Geschäftsstelle des Gutachterausschusses beim Vermessungs- und Katasteramt Bremerhaven](#)

Basic information

Information from the purchase price collection can be provided to private individuals on a case-by-case basis if there is a legitimate interest, if a sufficient number of comparable purchase cases are available and the purchase cases can be sufficiently well anonymized.

Requirements

You will receive information from the purchase price collection upon request if you can prove a legitimate interest. Authorization in individual cases is governed by state law. The legitimate interest is to be assumed when an application is made by authorities or experts for property valuation. The collection of purchase prices is not intended for the public.

Procedure

You apply for information from the purchase price collection in writing to the office of the relevant expert committee. If you can prove that you have a legitimate interest, you will receive the requested purchase price information in anonymized form without specifying owners or other personal data if suitable purchase cases are available.

Legal bases
