Basic information

Children between the ages of 0 and 14 can be cared for in day care. You need a permit for day care if you want to care for a child or several children outside the household of the legal guardian during part of the day and for more than 15 hours a week for more than 3 months against payment.

The permit for child day care

- is granted by the local youth welfare office,
- is limited to 5 years,
- can be provided with additional conditions,
- authorizes you to care for up to 5 foreign children present at the same time.

Requirements

Permission will be granted if you are suitable for day care. This can be assumed if

- you distinguish yourself through your personality, professional competence and willingness to cooperate with legal guardians and other child day care providers,
- you have premises suitable for children,
- you have good knowledge of the requirements of child day care. You must have acquired this knowledge in qualified courses.
