

Application for a classification criterion for the purpose of registration in the ElsterOnline portal

Competent Department

- [Finanzamt Neubrandenburg - RAB](#)

Basic information

A certificate is required for electronic authentication. This must be acquired in the course of registration on the ElsterOnline portal or, in the case of selected signature cards, registered on the ElsterOnline portal. A domestic classification criterion (tax number) is mandatory for registration on the ElsterOnline portal.

Agents working abroad on behalf of domestic taxpayers (e.g. foreign tax consultants) and domestic authorities that do not have a domestic tax number can apply for this classification criterion in the form of a tax number from the Neubrandenburg tax office - RAB.

Requirements

- The Neubrandenburg tax office is responsible for:
- Authorized representatives working abroad (e.g. foreign tax consultants) who wish to transmit authenticated data for domestic taxpayers but do not have a domestic classification criterion.

2. domestic authorities who wish to transmit authenticated data but do not have a domestic classification criterion.

Procedure

Please complete the following application and send it to the Neubrandenburg tax office - RAB.

Application for the issue of a classification criterion (tax number) for the purpose of registration in the ElsterOnline portal

You will then receive a letter from the Neubrandenburg - RAB tax office informing you of the classification criterion (tax number). You can then use this to register for an organization certificate in the ElsterOnline portal.

More information

The order criterion serves exclusively to carry out the registration on the ElsterOnline portal. Data transmissions must always be made to the taxpayer's tax number. No tax or tax law checks are carried out with the assignment of the order criterion. Please clarify this with the responsible tax office.

The Neubrandenburg -RAB tax office is located in the federal state of Mecklenburg-Vorpommern. Therefore, when registering in the ElsterOnline portal, please select Mecklenburg-Vorpommern as the state.

How long does it take to process

The applications will be processed promptly.

What are the costs?

There are no fees or costs for the award of the classification criterion.
