

Apply for state recognition as a curative education nurse

Would you like to obtain state recognition as a curative education nurse after passing the state examination for curative education nurses at a vocational school for curative education nursing in the state of Bremen? Then you need to contact the Senatorial Authority for Children and Education - Department 31 in Bremen.

Competent Department

- [Die Senatorin für Kinder und Bildung | Referat 31 - Qualifizierung, Gewinnung und Sicherung sozialpädagogischer Fachkräfte](#)

Basic information

The profession of curative education nurse is regulated in Germany. This means that you must have a certain qualification in order to be allowed to work in the profession. If you have completed a vocational school for curative education nursing in Bremen with the state examination and have successfully completed the professional internship, you can work in this profession nationwide with state recognition.

To do this, you must submit an application with all the necessary documents to the relevant state authority.

In Bremen, state recognition is granted by the Senatorial Authority for Children and Education - Department 31, provided that you have attended a vocational school for curative education in the state of Bremen and have demonstrated your professional aptitude in a one-year internship.

State recognition is granted after passing a colloquium. Admission to the colloquium is granted on application once all the necessary evidence has been provided.

Requirements

You have passed the state examination at a vocational school for curative education in Bremen and then successfully completed the professional internship.

You have a current extended police clearance certificate without entry.

What documents do I need?

- Documents for the recognition of Heilerziehungspfleger:in
 - Documents for the internship (recognition year):
 - Registration for the internship (at least 2 months before the start)
 - Graduation certificate from the vocational school

 - curriculum vitae
 - employment contract
 - differentiated assessment/work certificate
 - Possibly proof of further training/specialist events
 - Supporting statement from the technical college, if applicable
 - Possibly confirmation of practical experience from the employer
 - Once the decision has been issued, the procedure for admission to the colloquium follows.
 - Application for admission to the colloquium
 - Extended police clearance certificate
 - practical report

Procedure

With recognition year

If you would like to complete the professional internship (so-called "recognition year"), please send your registration for the professional internship to the Senatorial Authority for Children and Education - Department 31 at least 2 months before the start of the internship. You will then receive unsolicited notification of the dates of the events accompanying your internship.

After an interim assessment is submitted to the Senatorische Behörde für Kinder und Bildung - Referat 31 halfway through the year of recognition, in which it is predicted that you will pass the internship, you will then receive the application for admission to the

colloquium. If you have successfully completed the internship and passed the colloquium, you will receive state recognition.

Recognition of professional activity

If you would like to have your professional activity recognized as part of your internship, please contact the Senatorial Authority for Children and Education - Department 31. You will then receive the relevant application forms and the further procedure will be discussed with you individually.

After you have received notification that your professional activity has been credited towards the professional internship, you will then receive the application for admission to the colloquium. If your professional activity is credited towards the internship and you have passed the colloquium, you will receive state recognition
