

Issue accompanying documents for wine shipments

If you are transporting more than 60 liters of a non-bottled wine product, you need a wine accompanying document for each transport.

Competent Department

- [Die Senatorin für Gesundheit, Frauen und Verbraucherschutz | Referat 32 Verbraucherschutz, Veterinärwesen und Pflanzenschutz](#)

Basic information

You require a wine accompanying document for the transportation of wine products that have not been bottled.

Wine products are

- Grapes,
- grape must,
- mash,
- wine,
- sparkling wine,
- sparkling wine,
- liqueur wine and
- fortified wine.

The accompanying document entitles you to transport the wine products from the producer to the further processing or recovery point, for example to a winery. You are obliged to use an accompanying document.

Requirements

Not specified

Procedure

After logging in to the online service and registering the applicant, the information required for obtaining wine accompanying documents must be entered.
