

# Bulky waste registration / Bremerhaven

Do you want to apply for bulky waste collection?

## Basic information

What is bulky waste?

In principle, all bulky movable items that do not fit into the residual waste garbage can. Old furniture, carpets, carpeting, mattresses and bed frames belong in bulky waste. In any case, waste from construction, conversion or repair work, as well as doors, windows, tree and shrub cuttings, garden waste, filled bags/boxes (including empty ones) and car parts do not belong. Large old electrical appliances, such as washing machines, stoves and televisions, are taken away as part of the bulky waste collection.

## Requirements

The bulky waste must be located within the city limits and the jurisdiction of the City of Bremerhaven.

## Procedure

You have 3 options:

- Digital: You fill out the bulky waste application form on the Bremerhavener Entsorgungsgesellschaft homepage
- Analog: You fill out a bulky waste request card
- In person: You call us on the following number:  
+49 471 186-556

This information is required:

- Collection address - where the bulky waste is located
- Details of the bulky waste
