- Recyclable materials:

- Paper and cardboard, garden waste, textiles, glass and sales packaging
- Hazardous substances and waste containing asbestos
- Car parts:
  - Car wrecks and car parts, motorcycles and tires

## Requirements

- The bulky waste comes from a private household that is connected to the municipal waste disposal system in Bremen.
- The delivery of waste and recyclables is only permitted with vehicles with a permissible total weight of up to 3.5 tons
- The delivery of waste and recyclable materials must be sorted by type and free from harmful contamination and adhesions.

## What documents do I need?

- Official proof of identity or fee notice (original)

In justified cases, the joint presentation of the official proof of identity and the fee notice may be requested.

- Declaration of waste origin

Upon request, the deliverers must sign a declaration stating their name, address including telephone number and presenting official proof of identity, in which the exact private origin of the waste and/or recyclables is stated and confirmed.

## Procedure

- You can dispose of bulky waste at the recycling stations.
- The waste and recyclable materials must be placed in the appropriately labeled bins or containers.

## Legal bases

- [§ 20 Kreislaufwirtschaftsgesetz \(KrWG\)](#)
- [§ 22 Ortsgesetz über die Entsorgung von Abfällen in der Stadtgemeinde Bremen \(Abfallortsgesetz\)](#)
- [§ 11 Ortsgesetz über die Entsorgung von Abfällen in der Stadtgemeinde Bremen \(Abfallortsgesetz\)](#)

## More information

Transport packaging and containers must be taken back by the deliverers. The waste, recyclable materials and hazardous substances become the property of Die Bremer Stadtreinigung when they are placed in the collection bins/containers or handed over to the operating personnel. This also applies if they have already been unloaded or secured.

The deliverers are obliged to provide information about the origin of the waste and/or recyclables they deliver. The station's operating personnel are authorized to inspect all waste delivered and to reject waste, recyclable materials and hazardous substances, even if they have already been unloaded.

### **What deadlines must be paid attention to?**

There are no deadlines.

### **How long does it take to process**

If there is a high volume of customers, there may be waiting times at the recycling stations.

### **What are the costs?**

Self-delivery for private households is free of charge and financed via the waste fee.
