

Application for permission and construction site crossing

Competent Department

- [ASV - Amt für Straßen und Verkehr](#)

Basic information

Here you can apply for permission and construction site crossing.

Requirements

The owner or contractor is eligible to apply.

For details on the requirements, please refer to the online service (see right column).

Procedure

The construction site crossing shall be constructed by the permittee and shall be maintained in a permanent roadworthy condition at the permittee's expense. In this respect, the road construction authority is to be held harmless from any liability claims. The cost of construction shall be borne by the permittee. The applicant has the option of naming a recognised specialist company in accordance with 4.1. ff of the Technical Specifications for Excavations in Traffic Areas of the Free Hanseatic City of Bremen (T-VAV-HB 2020) in the currently valid version, which can carry out the work in compliance with the conditions issued by the Office for Roads and Traffic.

For details of the procedure, please refer to the online service (see right-hand column).
