

# Report traffic signal and street lighting malfunction

You would like to report a disturbed traffic light (traffic light system) or street lighting?

You can report this so that the damage or fault can be rectified.

## Competent Department

- [ASV - Amt für Straßen und Verkehr](#)

## Contact Person

- [Verkehrsmanagementzentrale \(VMZ\)](#)

**Verkehrsmanagementzentrale (VMZ)**

+49 421 361-16666

## Basic information

In order to have a malfunction or damage repaired as quickly as possible, these can be reported on the website (to be found at: [www.asv.bremen.de](http://www.asv.bremen.de) - Service - Malfunction reports) of the Office for Roads and Traffic using the online form or by calling the emergency services directly.

## Procedure

Notification can be made either by online form or by telephone to the emergency services. The emergency service for faults in light signal systems is the traffic management centre (VMZ): Tel. 0421 361-16666), for lighting faults the swb: Tel. 0421 359-1050.

## More information

The following information shall be provided as a minimum: Place and type of damage, telephone number or e-mail address for queries
