

# Aggressive begging

## Competent Department

- [Ordnungsamt | Referat 31 und 32 - Allgemeiner Ordnungsdienst](#)

## Basic information

The public order service intervenes in the event of aggressive begging, it issues expulsions, warns or reports an administrative offence.

## Requirements

Aggressive begging is defined as harassing, holding or touching people. Begging by and with children is prohibited.

Unobtrusive begging is not punishable.

## Procedure

The employees of the public order service give instructions, issue free or chargeable warnings, report administrative offenses and take measures for general hazard prevention.

The public order service can levy a warning fine in cash directly on site or report an offense. In this case, you will receive a letter from the fines office.
